

HERITAGE STATEMENT

ANGMERING MANOR, HIGH STREET, ANGMERING

This premises is a Grade II listed building which has been considerably altered over the years. The centre section is the original building with a recent extension to both the east and west of the centre. The most recent addition is on the west side which now incorporates a swimming pool and meeting room.

The building is set back from the High Street and its current use is as a high class Country House Hotel. It has parking to the front of the building and a large garden at the rear, both for use by residents of the hotel.

The front elevation of the property is mainly rendered and decorated with both timber and metal windows, the rear elevation is a mixture of rendered and decorated walls together with tile hanging and timber cladding again with both timber and metal windows.

The roofs are both tiled and slated together with various flat roofs.

The proposed extension is to form additional bedrooms and will be constructed at the south west side of the garden, The construction will comprise a timber clad building of horizontal boarding, timber windows and a tiled roof to match the existing building.
