Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/3/21/PL
Site Address: Pound Place Roundstone Lane Angmering BN16 4AL
Description of works: Erection of a 74-bed care home (C2 residential institution) with car parking, landscaped gardens & access from Roundstone Lane. (resubmission following A/9/19/PL). This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 25th February 2021 which has been recorded as an objection with the comments as follows:

OWPC34097

I object to the submission on the following basis.

1) There are significant elements missing from the submission which were part of the previous application. This includes boundary treatment and planting. In its current guise the application will provide no assurance that tree replacement and visual shielding provided by the previous conditions would need to be implemented.

2) The 2nd floor rooms approved under an amendment to a previous application for office use (5x8) are now planned as bedrooms (24x7). These have direct sight lines into bedrooms and living areas of adjacent properties at less than 30m in some instances. The application has not demonstrated that this will be mitigated with visual shielding.

Should these be addressed and mitigated I will have no issue with supporting the application.

The planning officers should also pay careful attention to missing elements within the planning submission which were a fundamental part of all previous applications, and not just highlight those items which may have been previously conditioned.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
