Subject: A/40/18/OUT: Outline Application with some matters reserved for the development of Land North of Water Lane, Angmering to provide up to 525 residential units plus employment land, public and open spaces, play areas, access and associated infrastructure

Dear Michael as discussed.

Environmental Health: Please add the following condition:

‘No development shall begin until an Air Quality Assessment has been submitted and approved in writing by the Local Planning Authority. Thereafter, the development shall be carried out in accordance with the approved schemes and any subsequent amendments shall be approved in writing by the Local Planning Authority.’
