Hi Michael,

On behalf of my Clients, I agree to the extension of time until Friday 7th June 2019.

Are you able to provide an update on secondary education? I understand the position statement is with ADC but the reduction in figure has not been objected to by WSCC. Have you therefore instructed Jeremy to include the lower figure in the S106?

Many thanks,

Zoe

Subject: A/40/18/OUT - Land North of Water Lane, Angmering - REQUEST FOR AN EXTENSION OF TIME

Hi Zoe,

Please could I have an extension of time (EoT) to determine outline planning application A/40/18/OUT - Land North of Water Lane, Angmering to **Friday 7th June 2019**, i.e. 2 days after the Development Control Committee meeting?

The outline planning application is not being presented to the DCC meeting on 6th March 2019. The deadline for the submission of reports for the April 2019 DCC meeting is Wednesday 13th March 2019. It is unlikely that the outline planning application will be presented to the DCC meeting on 10th April 2019 as I am waiting for the following issues to be resolved:

- 1) I have requested a revised consultation response from Highways England explaining why the Land North of Water Lane, Angmering (A/40/18/OUT) should contribute to the delivery of improvements to the Causeway roundabout at Arundel.
- 2) I am awaiting an updated consultation response from the Local Highway Authority which will include a contribution towards the delivery of the A259 road widening scheme.
- 3) I am awaiting a revised consultation response from WSCC Planning which will include the revised methodology for the developer contribution towards a new secondary school for Arun.

There is no DCC meeting in May due to the elections.

I look forward to receiving your reply.

Kind regards,

Michael
