Michael / Claire

Thank you for your time this morning. It was a very productive meeting and, subject to WSCC checking some of the details we discussed re education, it is clear that what you both confirmed were the only outstanding issues relating to this application either have already been, or can be, addressed quickly such that the application can be recommended for approval and determined on 27th June.

We will start to review / action things at our end as promised focussing on the S106 triggers and conditions.

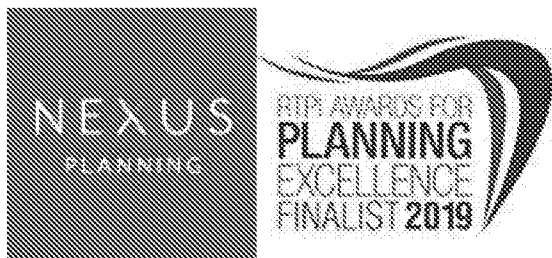

Have a good weekend

Adam
