Planning Application No: A/40/18/OUT

Highways England reference: HAMIS 81058

Dear Michael,

Further to our ongoing discussions with regard to the above planning application, I confirm that the Highways England no longer requires the condition for the applicant to undertake/contribute in full for the agreed highway mitigation works at the Causeway Roundabout, Arundel. Please note that this does not absolve the applicant from the other highways obligations previously agreed as part of this application site.

Should you have any questions regarding this response, please contact me.

Regards,

David
