A/40/18/OUT – Primary School.

Dear Michael and Neil,

We, as of the morning of Tuesday 25<sup>th</sup> June, have not received the feasibility study/report from WSCC on the proposed location of the new primary school, or indeed have been able to ascertain from WSCC its full scope. If we were to receive it today (Tuesday), we believe that it is an unreasonably small amount of time before the DCC meeting on Thursday to review the study as a parish council and make any decision to proceed with the land swap based on its findings.

We have also not received any evidence that the backstop solution exists, or that it would be acceptable to WSCC without their undertaking a feasibility study on the proposed location. We have also asked to be shown where this backstop is detailed in the S106 agreement – we are yet to be advised.

We therefore strongly believe that application A/40/18/OUT should be removed from the agenda for the DCC meeting on 27<sup>th</sup> June 2019

Kind Regards

Katie Herr

Clerk to Angmering Parish Council
