Hi Michael

Not sure I can answer point 1 as we (WSCC) are not pushing for a back stop.

We are happy to send over the study by F&G on the land swap it is rather large though and it focuses on the Parish land and not the relocation of the existing facilities onto the West Sussex land.

With regard to the actual building of the primary school, this will be as advised in our response to your committee report (below)

The timeframe for bringing forward a new primary school will be determined following on-going reviews of pupil projection forecasts for the Angmering Planning Area in line with the strategic development housing delivery.

Do please let me know if you would like the report sent over & I will try & condense it down for you

Kind Regards

Tracey

Dear Tracey,

I have received the following letter from Angmering Parish Council regarding the outline planning application (A/40/18/OUT) for Land North of Water Lane, Angmering.

The outline planning application is going to the Development Control Committee meeting on Thursday 27th June, 2019.

Please could you help me respond to items 1) and 3) in the letter?

I would like to update the committee members on the provision of the new primary school.

Kind regards,

Michael
