Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/41/22/DOC
Site Address: Land North of Water Lane Angmering BN16 4EU
Description of works: Approval of details reserved by condition imposed under ref A/40/18/OUT relating to Condition No 5 - design code masterplan.

Thank you for your internet representation made on 22nd April 2022 which has been recorded as an objection with the comments as follows:

OWPC46953

I object for so many reasons... lack of basic infrastructure in village for example schools, doctors, NHS dentist, access in and out of village is already so congested. There are indications that the water table in this area is getting lower and the south east of England is experiencing lower rainfall so the more new families in the area the more pressure will be experienced on water supplies. Plus existing residents are experiencing so much disruption by all other new housing developments. please give us a break now!

Your views as made above will be considered before the application is determined.
