Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/43/22/PL
Site Address: Land East Of Roundstone Lane Angmering BN16 4AL
Description of works: Variation of condition following grant of A/3/21/PL relating to Condition No 1 - approved plans.

Thank you for your internet representation made on 1st April 2022 which has been recorded as an objection with the comments as follows:

OWPC45944

I object to the plans that seek to remove the established conifers from the front of the property. There has been an enormous number of mature trees already removed from this site, all of which at one point were protected. The trees to the front of the property had been preserved and are intended to screen a very large building from the road, thereby preserving the visual amenity. Additionally, further screening is required to west of the electricity substation to ensure adequate screening to visually unattractive equipment.

Your views as made above will be considered before the application is determined.
