Subject: RE: 12491 Land West of Brook Lane and South of A259 (PP-05859070) -Flood Risk and Land Engineering Statement

Dear Sirs,

We submitted an application on 01/03/2017 at the above address for:

“Outline planning permission (with all matters reserved) for demolition of existing buildings on site and the erection of a mixed use development comprising residential units and care home (Use Class C2 and C3) and ancillary facilities including railway crossing together with associated access, car parking and landscaping”.

The application cover letter identifies that the Flood Risk Assessment and Land Engineering Statement that form part of the submission were being sent under separate cover.

Please find both of these reports attached to this email.

We look forward to hearing from you in due course in terms of validation.

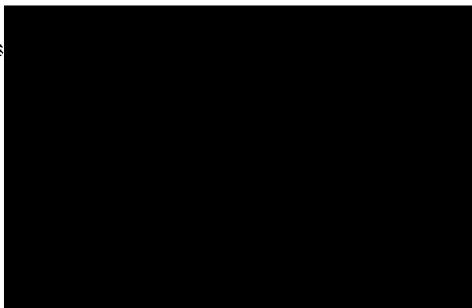

Kind regards,

Serena
