Dear David

A/44/17/OUT – RESPONSE TO ENVIRONMENT AGENCY LETTER DATED 9TH MAY

Thank you for forwarding a copy of the letter from the Environment Agency. On the basis that the Environment Agency were content with our initial submission (subject to conditions), we wish to formally withdraw the second flood risk assessment (dated April 2017).

On the basis of the above, and the associated agreement to the wording of the condition regarding site levels, we would be very grateful if you could confirm with the Environment Agency that they once again have no objection to the planning application.

For the avoidance of doubt we wish to rely on the FRA submitted March 2017.

Yours sincerely,

Serena Page
