Ecology- Bird and Bat boxes.

Dear All,

With regard to the above-referenced application and the discussions concerning the bird and bat box requirements, I can confirm that, as agreed, a total of 12 bird boxes and 12 bat boxes will be installed at the property.

The attached site plan identifies the proposed locations and specifications of the bird and bat boxes.

I trust that the above confirmation, together with the attached site plan and specifications, addresses the matters raised and satisfies this element of the planning application.

Should you have any queries or require any further information, please do not hesitate to contact me. I will respond as promptly as possible to help bring this matter to a conclusion.

Warm regards,

Mark Long
