Dear Mr Crowther and Mr Roberts.

I am concerned that Arun District Council is not processing Sigma's latest application for Certificate B for Mayflower Meadow in a fully lawful and procedurally proper way. Particularly the failure to serve notice to house owners prior to lodging the application.

Given that this is, I believe, the seventh application, I think the residents have every right to expect the process to be legally watertight.

I would be grateful for clarification as to how the Council considers the application can properly proceed in light of those concerns.

Best wishes

Beccy
