Thank you for your internet representation made on 8th May 2026 which has been recorded as no objection with the comments as follows:

OWPC83409

I am a resident of Platinum Way, Angmering, and I wish to support the retrospective planning application. I purchased my home with planning permission in place, and it is my primary residence.

Platinum Way is a small and well-established development, and I am very happy living here. It has developed into a welcoming and supportive community, with residents from a wide range of backgrounds who contribute positively to the local area.

It is also relevant that independent surface water monitoring was undertaken during one of the wettest winters in recent years, which confirmed that there are no issues with the surface water drainage. This provides reassurance that the system is functioning as intended.

The application seeks only to retain the existing homes. I respectfully ask that it is considered fairly and pragmatically, taking into account both the evidence and the established community. I support the application being approved.

Your views as made above will be considered before the application is determined.
