Dear Mr Barker

Thank you for the attached Block plan. The problem appears to be the dimensions shown to the boundaries are too faint to read on the plan, especially on the printed version. They are so faint that my colleague did not see they are there.

Please make them darker so they show up.

Secondly, please confirm, in writing, your approval of the amended description shown at the top of the letter.

Many thanks,

Kind regards,

Karen

Dear Daun

I have received a letter asking for an amended block plan for the above application. I have attached the block plan which was submitted as part of the application. This has dimensions to the site boundaries, so I would be grateful if you could clarify what amendments you require?

Many thanks
