30th May 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing buildings (car show room, workshops and Phares Courtledge) and erection of 19 dwellings, a convenience store, a community building, public toilets and associated car parking and landscaping - This application affects the character and appearance of the Angmering Conservation Area.

Bmw House, Chandlers Garage Ltd Water Lane Angmering

Thank you for your internet representation made on 29th May 2019 which has been recorded as '**an objection**' with the comments as follows:

- 1. The addition of a new supermarket will not only be in competition to the current one but will result in the centre of the village moving away from the current independent shops - a butcher/baker, florist, dress shop and Angmering framing/wools etc.*
- 2. The new supermarket will encourage more traffic to come through the village which is already a problem as the village is used as a cut through when the bypass is busy. There is already a problem with speeding and this development will exacerbate this problem.*
- 3. The entrance from the new development onto the High Street near to the junction with Water Lane and opposite the barbers will create a very dangerous turning. This road is narrow and regularly is used for parking by the properties that front onto this road. Plus many cars using this road speed up (and down) the hill and this together with the restricted views will make this very dangerous.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is

available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
