Andrew

Cllr Bicknell came to the offices today to provide his views as a District Cllr on this application. He annotated the drawings attached which are self-explanatory. I will discuss in more detail with you. One thing not shown on the drawings was his desire that the parking spaces to the north for the benefit of the retail unit should be swapped with those to the south earmarked for residents. This is so those visiting to use conveniences in the village centre have a shorter and safer journey.

Cllr Bicknell will be formally making a rep to this effect.

Juan
