Dear Susan,
I have had a catch up meeting with Neil this morning and we discussed the above application. He has requested street scene elevations to assess the relationship of the apartment building in the north east corner of the site with the neighbouring units in Water Lane and Cumberland Crescent and a street scene of the dwellings facing High

Street with the adjacent properties in High Street. He is concerned that they may appear too low in relation to the neighbouring units.

It is also noted that the red edge on Location Plan 17-1030-001-1st is incorrect it doesn't include the full extent of the site to the south or east.

Without prejudice, I would appreciate receipt of this additional/amended details within the next 10 days.

Regards

Anita
