Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/45/22/PL
Site Address: Rustington Golf Centre Golfers Lane Angmering BN16 4NB
Description of works: Erection of 167 No new homes in a mix of 1-4 bedroom properties (2-4 bedroom homes and 1 bedroom apartments), with associated landscaping, parking, open space, play areas, construction of a new vehicular access from Golfers Lane and all other associated development works (resubmission following A/129/21/PL). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 25th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45610

Angmering has been totally saturated with New builds, the vast majority of which are most definatly not affordable housing.

The infa structure has not been addressed, certainly not enough GP surgeries/Schools/Dentists etc to cope with the current situation, let alone building more. Not one single new GP surgery or School to cater for the occupants of these new properties.

Road traffic congestion/pollution is already dire (the ongoing two year work on the A259 can not be included in easing any of this)as it will do little to alleviate the traffic problem.

The decimation of green spaces around a 5 mile radius of Angmering is astounding, where on earth is there room to build any more?!?.

Flooding/drainage/water pressure/problems, already exist!

Angmering is/was the most delightful place to live I understand that people would want to live here, however surely there is a point when someone says - enough is enough?!?
