OWPC45622

I am normally all for new housing, especially affordable housing as this are is in dire need. However this planning permission is I'll thought out and just cause more chaos on the other crowded roads and overworked local amenities. Wheres the new gp surgery, school or dentist? All these things are needed before building overpriced housing which most locals can only dream of.

Social housing should take priority and yet its lacking in this proposal too.

Most low income households like myself are stuck paying overinflated rents just to stay living close to the area we grew up in and love, with no chance of ever securing a social housing home at an affordable rent cost.

This is a ridiculous shortsighted idea and the only ones who will benefit are those who own these building companies.
