Subject: OBJECTIONS A50/22 + A45/22

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Please note that I strongly object to the following 2 developments to go ahead:

A 50/22. And A 45/22 to go ahead in the Ferring/Goring area.

I am a resident of Ferring and do not feel that the area can cope for reasons such as: loss of green field sites, rare plants, endangered wildlife, loss of beautiful views from Highdown this will cause, extra traffic on an already busy road/s, lack of infrastructure, extra cars/lorries on the road, Doctor's surgeries, lack of parking, schools in the area already full to capacity etc etc. The list goes on!

Regards
DHoward
