Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/45/22/PL

This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 7th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46361

I disagree with this application as it is a loss of another greenspace. Added to this, the A259 is overburdened with traffic. The improvements are negated by the many planning applications already approved and not yet built and the further applications currently in the consultation phase. Other reasons are loss of wildlife, risk of flooding, further strain on the infrastructure, schools, GPs, dentists and other local facilities. Before long, the whole of Arun District will be concreted over. We also need to consider that outdoor activities are necessary for mental well-being. If this application is approved, it will only be a matter of time before the whole golf course is built on. The Application will result in further house price rises for local people as most would be purchased by people moving from more affluent areas.

Your views as made above will be considered before the application is determined.
