Thank you for your internet representation made on 15th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46678

This has already been refused once. I objected last time on the grounds that this will have a detrimental effect on wildlife as it will create an island of the land between the golf course and Station Road. At the moment there is a corridor for wildlife to use.

At the moment it is getting more and more difficult to get to see a GP in the area. This will make it even more difficult. I cannot find a NHS dentist locally to register with so how will granting planning for more houses help either situation. Every resource is stretched to its limits already police, ambulance, hospital waiting times etc. How are the developers going to contribute to ease this. It needs more than we will build schools, GP surgeries it needs we will fund the Drs to work there. The roads around the area are getting more and more gridlocked.

This really does need to be refused for area. No more destruction of valuable green areas please
