OWPC46866

Angmering and the surrounding area can not support further development, particularly along the A259, which is already congested throughout the day. Local doctors services are over-stretched with residents struggling to get appointments.
The traffic associated with parents school drop-off & pick-ups, when children are traveling from the outskirts of the villages, already causes a hazard in surrounding roads, particularly around St Margaret's school in Angmering.
Leisure facilities need to be retained, if not further developed, particularly for the young people living in the local area. Being a semi-rural area there is already limited availability, causing people to travel to Worthing, Brighton or Chichester.
Please consider carefully the full impact of further development in this area on existing residents, who are already seeing the negative impact of dramatic increases in the population on their everyday lives.

Your views as made above will be considered before the application is determined.
