I am writing to OBJECT to to the proposed erection of 176 houses at this site.

I am a playing member at Rustington Golf Club and am appalled at yet another large scale development spewing traffic onto the A259. I know from personal experience that entering and exiting Golfers Lane is highly dangerous, with traffic on the dual carriageway approaching the Mill Lane roundabout at often excessive speed. There have been a number of accidents at this roundabout.

The traffic from a 176 houses added to the existing traffic from the golf club and the other ammenities on this site, all using Golfers Lane to access the A259 is clearly out of the question.

This isolated development is obviously not part of Angmering village and is out of character with the area.

I am also concerned that we will lose even more attractive green open space and the wild life that lives there. We need to keep our green open spaces.

Sheridan Carpenter (Mrs)
