17th May 2018

Dear Sir/Madam

**The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 -
Article 6**

Approval of reserved matters following outline consent A/169/17/OUT for access. This application also lies within the parishes of Littlehampton & Rustington.

Land west of Brook Lane and South of A259 Angmering

Thank you for your internet comments made on 16th May 2018 which has been recorded as **'an objection'** with the comments as follows:

The site is unsuitable for the type and size of development proposed in the application; there are particular concerns regarding highway access, the inevitable increase in traffic density and the imposition of additional load on the A259 roundabouts at The Body Shop and Golfers Lane.

We are also concerned about the additional burden this proposal would place on already seriously stretched local healthcare services.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
