Subject: RE: Planning Consultation on: A/46/18/RES

David,

An objection is raised to the proposes access. As per the ongoing correspondence with regard to planning application ref A/11/17/OUT for the adjoining site the applicant needs to demonstrate that a safe and sustainable access can be provided to both their site and does not preclude access to the adjoining site. At the moment they have not done this and the proposed access arrangements from both sites are conflicting. A revised drawing needs to be submitted that demonstrates how access can be provided to their site and the adjacent.

It is also noted that no Safety Audit has been provided with access drawings.

Regards

Stephen
