Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: A/46/21/OUT
Site Address: Land at Downs Way/Heathfield Avenue Downs Way East Preston BN16 1AB
Description of works: Outline application with all matters reserved for the erection of a pair of one and a half storey semi-detached dwellings with vehicular access, private amenity space & landscaping.

Thank you for your internet representation made on 8th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35009

We were absolutely horrified to learn that planning could be considered on a such small green area which all the residents benefit from.

To build anything on this green area would be devastating for the wildlife, in particular the small birds that nest there.

The trees on this piece of land are absolutely beautiful, especially the blossom in spring. Are we not supposed to be planting more trees rather than pulling them down. I think it is totally unacceptable that these well established trees (about 12 not 7 as the plan implies) that have been there for decades will be replaced by just 2

Also according to the plans there are to be 2 windows over looking our property which we feel could be an invasion of our privacy.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website.
