Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: A/46/21/OUT
Site Address: Land at Downs Way/Heathfield Avenue Downs Way East Preston BN16 1AB
Description of works: Outline application with all matters reserved for the erection of a pair of one and a half storey semi-detached dwellings with vehicular access, private amenity space & landscaping.

Thank you for your internet representation made on 9th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35041

I very strongly oppose the building of two bungalows on the aforementioned area. I bought this house in 1984 mainly because of the outlook of the tree planted green area opposite. This road is more of a racetrack and is used as an overflow carpark from the angmering station, making the whole road an accident waiting to happen, having two further properties with off road parking in a dangerous part of the road will in my opinion create unnecessary risk of further accident opportunities, whilst also destroying my outlook. I have noticed the mention for the need of MORE! houses in this area, this is very questionable, with the amount of houses being built within a 5 mile radius of this site. These properties are obviously not for local people and I see no reason to cover every piece of green in Downsway, if there is such a need for MORE houses there is for example a large green area at the bottom of Angmering lane for probably 100 bungalows of this type. Whilst it is clear this land was obviously sold with a foregone conclusion that building permission would be granted without any thought for the residents living in the immediate vicinity must be questionable. I therefore again strongly object to any further building in Downsway.

Your views as made above will be considered before the application is determined.
