Re: - A/46/21 ext.

Dear Sir,

I strongly object to the 2 bungalows that are proposed on the land on the corner of Heathfield Rd and Downs Way, East Preston.

There are two footpaths on either side of the land, and lots of bushes and a few trees, which are inhabited with birds and wild life, I also use both paths to walk my dog.

On top of which, the bungalows would have no garden or very little and who in their right mind would choose to live right next to a Dual Carriage Way with all the traffic noise.

Also, there has been enough houses built in this area, so why spoil a lovely estate with these bungalows.

Yours sincerely
