Dear Ms Gardner

I write to object most strongly to the application to vary the requirement to set aside land for public use to the east of the proposed Care Home in Angmering.

I particularly object to point 4 in their covering letter that states public access to land would conflict with the safety and security of residents.

Firstly it has been proven that views of nature/greenery have a positive impact on well being, this space will benefit their residents.

Secondly, if the owners are unable to keep their residents safe they should in my view be barred from running a care home.

Thirdly, if the public constitute such a threat, perhaps the applicant should fund local policing services to ensure the safety of all of us.

I trust that planning authorities will reject this application

I hope to hear from you

Kind regards

Kathryn Morris
