Condition 3

This condition relates to the use of machinery, storage of machinery and the importation of materials.

The highway Authority have no objection to the use of machinery as it is existing on site (used for maintenance). No contractor parking is proposed as only 2-3 workers will be employed and therefore existing parking can be used. The Site Management Plan shows Contractor Parking and Material Storage.

PROW

Footpath (ANG/2200/2) runs adjacent to the works site - this path will need to be protected and open during the works. In addition, works should not impact on the integrity of the footpath. Please request the applicant contact our PROW officer for their approval - the officer has been copied in on this response.
