Dear Sian,

Thank you for your email.

Plan number 7+8 have been updated to show dimensions as you requested.

Please discard plan number 9 at this stage because this was sent prematurely as it relates to building regulations and not planning.

Plans 1+2 which you already have, provide dimensions for the floor plan.

Many thanks and Happy Easter to you

Rachel Edwards

Dear Rachel Elliott

Thank you for your email, however the attached 3 plans are just awaiting a dimension/scale bar. Once added I can make the application valid.

Kind regards

Sian

Dear Sian,

Thank you for your email.

These plans have been updated to include written key dimensions, also I'm told that each plan is to the scale stated in the title box at A3 print size.

I hope these are acceptable, please don't hesitate to contact me if they are not.

Many thanks

Dear Rachel Elliott

Thank you for your email, however the plans still need a scale bar on them to allow for confirmation of the scale. Alternatively as long as every plan has a dimension on it that can be accepted as well but some plans such as the elevations among others do not have neither. Please amend

Kind regards
Sian
