Dear Katie,

Thank you for consulting Sport England in respect of the reserved matters relating to outline planning permission A/122/19/OUT as varied by A/207/21/PL.

Sport England commented on outline planning application at which time we were generally supportive of the extension to the adjoining sports hub proposed in connection with the residential development.

With regard to the submitted reserved matters, Sport England understands that these relate only to the residential element of the development and not to the new sports pitches . On that basis, Sport England has no comments to make on the current details submitted.

Recommendation:

Given the above Sport England raises no objection to this application.

The absence of an objection to this application, in the context of the Town and Country Planning Act, cannot be taken as formal support or consent from Sport England or any National Governing Body of Sport to any related funding application, or as may be required by virtue of any pre-existing funding agreement.

If you would like any further information or advice please contact me.

Yours sincerely,

Jo
