Subject: RE: Planning Consultation on: A/4/18/PL

App No: A/4/18/PL

Address: Ham Manor Golf Club Ltd West Drive Angmering BN16 4JE

Proposal: Re-organisation of Hole 9 to incorporate the provision of a pond

Bats

The lighting scheme for the site will need to take into consideration the presence of bats in the local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

Nesting Birds

Any works to the trees or vegetation clearance on the site should only be undertaken outside of the bird breeding season which takes place between 1st March – 1st October. If works are required within this time an ecologist will need to check the site before any works take place (with 24 hours of any work).

Kind Regards

Liz
