I can confirm that the January application is a brand new application tied to the original October 19. This is to be taken over by Mrs walker of 1 Alexandra ave.

Regards,

Rob

Good evening,

This application to work on TPO trees for Mr and Mrs Walker is now being taken over by themselves. Holder Tree Services will no longer be working as the agent for this application. I hope this fulfills the request by Mrs Walker so you can transfer the report over to her.
