Thank you for your internet representation made on 3rd April 2022 which has been recorded as an objection with the comments as follows:

OWPC46093

Once again we see an application for more homes alongside the already overstretched A259. More and more open green spaces being allowed to be concreted. Green space should be coveted to protect wildlife and fauna and to also allow for agriculture. Nothing is ever done to provide schools, doctors, dentists even though developers pay vast amounts towards this with every accepted proposal. The area around Angmering has become one vast estate of houses already

Your views as made above will be considered before the application is determined.
