Dear Sirs,

Planning Application A/50/22 ROUNDSTONE FARM

Please receive this, our very strong objection to the above plan.

You , of course, will already be aware of why so many local residents oppose this plan, as we stated earlier. It does not conform with local planning guidelines, will further devastate our lovely countryside, and exacerbate the problems on the already overcrowded and dangerous A259 and other adjoining roads.

Further, with the spiralling cost of living which millions of people will be unable to keep up with, the same with all building materials, the prospect of any of these structures being classed as affordable housing are next to zero.

Please refuse this application

Yours faithfully ,

Mr. & Mrs. T.A.Frisby
