CONCLUSIONS

PRINCIPLE:

The proposed development falls outside of the built up area boundary. However, the application seeks permission for an extension to an existing dwelling located within an established estate. Therefore, the principle of the development is considered acceptable and as such will be assessed against relevant development plan policies. The site is occupied by a detached house, with houses of similar style.

Policy:

Policy CSP1 of the Arun Local Plan sets out development will be permitted in the countryside where it is in accordance with other policies in the Plan which refer to a specific use or type of development.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and locality.

Policy DSP1 of the Arun Local Plan sets out that all development proposals should seek to make efficient use of land but reflect the characteristics of the site and local area in their layout, landscaping, density, mix, scale, massing, character, materials, finish and architectural details.

Policy HD4 of the Angmering Neighbourhood Development plan seeks to ensure that development requiring planning permission which, by virtue of their materials, are inharmonious with the area, are refused.

Policy HD5 on the Angmering Neighbourhood Development Plan states that proposals should demonstrate their consideration of the proposal on its surrounding. This means that the proposed development should conform to the existing built form of the area, and constitute a positive addition to the current style, and mix. New development must integrate well with the character of the locality, and its landscape setting. Finally, it should not adversely impact upon the landscape setting, or any views in or out of the South Downs National Park.

Policy HD6 of the Angmering Neighbourhood Development Plan sets out criteria for the housing layout and design principles of proposed development. Proposals should demonstrate a high quality design, reflect local distinctiveness and incorporate local design features evident in buildings in the locality. Retention of trees and hedgerows is also encouraged.

SITE HISTORY:

The relevant site history has been noted.

DESIGN AND VISUAL AMENITY

The applicant seeks planning permission for the construction of a rear extension to the established dwelling. The proposed rear extension will measure approximately 7.1m wide, 14.3m in length and be built to the proposed height of 3.1m. The proposed extension given its location will not be visible from the

street scene, it will therefore not have a detrimental impact on the character of the host dwelling or the street scene.

The proposed extension is considered to appear subservient to the host dwelling and would not result in any adverse impact on the spatial pattern or character of the area and would therefore accord with the policies D DM1 and D DM4 of the Arun Local Plan.

NEIGHBOURHOOD RESIDENTIAL AMENITY

The proposed rear extension will be located 22.5m from the Eastern boundary and 1.5m from the Northern boundary. The proposed extension will feature 1No. door and 2No. windows on the Eastern elevation. The windows on the Eastern elevation will not be overlooking as they will look out over the garden and golf course behind.

Given the design and location of the extension it is not considered to give rise to adverse impacts in terms of overlooking, overshadowing and overbearing and is therefore deemed to accord with D DM1 and D DM4 of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions and informatives.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans 1197.01a

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM4 of the Arun Local Plan.

- 3 INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
