Dear Mr Crowther

LAND AT WEAVERS HILL, ANGMERING

I refer to the meeting at your offices on 8th March with Nick Hayward and Paul Newman in relation to the above proposed development.

As discussed our clients intend to make an outline planning application for mixed use development to include residential housing (including affordable), employment uses, community uses and public open space, on land to between the A280, Weavers Hill and High Street, Angmering

I enclose a Scoping Report (paper and electronic copy) which sets out the studies which are proposed in the preparation of an Environmental Impact Assessment, leading to the publication of an Environmental Statement which would accompany the planning application. The Report includes the following information as required by paragraph 10 (2) of the Regulations:-

(a) a plan sufficient to identify the land and
(b) a brief description of the nature and purpose of the development and of its possible effects on the environment, by reference to the topic areas included.

I would be grateful if you would accept this letter as an application for a Scoping Opinion in respect of the proposed development under paragraph 10 of the Regulations.

Please let me know if there is any further information that you require in order for the Council to adopt an Opinion.
