Dear Mrs Gardner,

I live at Grey Tiles in Ham Manor Way opposite Ashurst and the ninth tee.

I am concerned over this new application as I don't think it has changed in size from the last application.

It is still far to big and will look enormous against the bungalows opposite.

We really do not want another property as big as Ashurst as it really overpowers my bungalow. Perhaps if a large bungalow was built that would be advantageous to everyone concerned.

Please refuse this application for the same reasons that you refused the last.

Thank you for your help.

Pearl Carlisle.
