Condition 17- Hedgerows:

Following submission of the hedge retention plan we are satisfied that this is suitable and no further information is required relating to this.

Condition 18- Badgers:

Following submission of the badger survey (March 2020) we are satisfied that that the information submitted is sufficient and the recommendation of surveying two holes 24 hours before construction is undertaken and a condition can be used to ensure this takes place.

As a precaution any trenches should be covered overnight, or a means of escape made available and any hazardous chemicals need to be suitably stored away so animals cannot access them.
