Subject: A/55/21/DOC - Land south of Mayflower Way, Angmering

Dear Anita,

I hope you are keeping well.

With regard to the above application, Southern Testing's Desk Study and Preliminary Site Assessment report (ref.: J13227, dated August 2017) and Southern Testing's Remediation Strategy and Verification Plan (ref.: J14366, dated June 2020) have now been reviewed. Whilst the content appears satisfactory to allow discharge of condition 3 of A/219/17/PL, before EH is able to provide a formal response, I will please need to have sight of Southern Testing's Supplementary Investigation and Laboratory Analysis for Asbestos in Soil report (ref.: J14366, dated May 2020).

Many thanks,

Kate.
