

Hi. Iqraa
Sorry attached a new PDF. Not sure what I did there. Hopefully this one is better. Thanks

Good morning,

Thank you for providing the amended plan.

However, could you please make it clear that the 23m measurement is from the front of the property? As the current arrow only leads to the proposed extension from the boundary.

Kind Regards
Iqraa Malik

Hi. Iqraa
Please find attached revised O/S Map.
