APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse to modify or discharge the planning obligation and the obligation is contained in a legal agreement that is dated more than 5 years from the date of this application you can appeal to the Secretary of State under section 106B of the Town and Country Planning Act 1990. If you wish to appeal you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

If the obligation is contained in a legal agreement dated less than 5 years from the date of this application, there is no right of appeal.

Please note that this decision notice only relates to matters under the Planning Act and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
