Dear Kathryn

Thank you for coming back to me, and with regard to the wording I can confirm that the materials to be used for the proposed dormer will be 'of a similar appearance' to the those used in the construction of the existing dwelling house.

I will also forward this to the client for their further clarification.

With very best regards, Ella

Dear Ms Pope,

I'm about to request this application be signed off by my team leader, however I would like to confirm one item with you.

I note in your description within the submitted planning statement that for the roof dormer you have both described the materials 'to be sympathetic' to the existing and to be 'of a similar appearance'. In order to comply

with condition B.2 (a) of the GPDO the latter is required. So for the avoidance of doubt could you confirm that the materials will be of similar appearance to those use in the construction of the existing dwelling house.

Many thanks,

Kathryn Welch
