Dear Paul,

I'm about 50% through your application report and likely to recommend approval. The period expires now on Friday 17.04.15.

Frankly, I could do with a little more time to complete the report and get it signed off (and other pressing matters, so you are not alone). It would be helpful if you and your client could agree to 7 more days to end of next week to complete and issue (hopefully) the PP. By close Fri 24.04.15.

I'm going to send across the request and hope it can be agreed.

Many thanks and apologies,

Ross

I am sorry if this email is a bit impersonal but please accept my apologies if you have recently sent an email to my hotmail address which I have not replied to.

The problem is my account has been blocked by Microsoft who assumed it had been hacked when I recently sent out my change of address details!

It should have been easy to get it unblocked but unfortunately Microsoft decided not to make it so.

I have therefore set up a new email address [REDACTED] for future use and if you have by chance sent me an email recently I would be very pleased if you could resend to this address, and I promise to reply.

kind regards, Paul
