Dear Ms Burrows

Thank you for your advice in response to which I would advise the following.

The proposal includes the removal of 4no Hawthorne trees in respect of which an inspection has been made and I can advise there are no birds currently nesting.

I would also confirm the school have confirmed that earlier in the year a Robin nested in one of the trees but the nest has been vacant for several weeks.

Should you require any further information please do not hesitate to contact me.

Regards

Graham Middle

[REDACTED]

Dear Mr Middle,

Thank you for sending the additional documents.

On the Biodiversity Checklist under the Breeding Birds section you have answered Yes to the question asking 'Will areas of hedgerow/scrub/woodland/trees or other features likely to be used by nesting birds be affected by the proposal'. Therefore you must include mitigation measures to ensure occupied nests are protected within this application.

Many Thanks

Charlotte Burrows

[REDACTED]

Dear Charlotte

Please find attached the requested additional info.

Regards

Graham Middle
