Hi Richard,
Do you have any update? I am conscious that the application expires in a week. Can we agree an EOT until 07-07-2020 to allow for receipt of additional information and re-consultation with Engineers?
Thanks
Anita

Dear Richard,
I have now received the comments of the Drainage Engineer who has requested the following :
'Please could the applicant highlight (on the drawings) as to what has changed in terms of the drainage design, since the approval of the original scheme associated with A/18/20/DOC and the referenced approved drawings. Please also supply all relevant drawings from the original approval that are still relevant.'
I would appreciate receipt of this additional information within the next 7 days.

Regards
Anita Gardner
